¹ Persons at work. Economic reasons include slack work, material shortages, inability to find fulltime work, etc.

² Civilian labor force (or employment) as percent of civilian noninstitutional population; and unemployment as percent of civilian labor force.

³ Data beginning January 1994 are not directly comparable with data for earlier periods because of a major redesign of the household survey questionnaire.

⁴ Not strictly comparable with earlier data.

NOTE.—Data beginning January 1998, 1999, 2000, and 2001 reflect revised population controls. For details, see February issues, *Employment and Earnings*.
